

# Finding the University of Derby

## Parking

Unless you have a disabled parking badge (blue badge), please park at our main site – Kedleston Road – and walk or catch the regular shuttle bus to our Markeaton Street or Britannia Mill sites.

## From the north

From the M1/J28, take the A38 south, signposted Derby. At the first major roundabout, continue along the A38 signed Matlock, Ashbourne, Uttoxeter (Outer Ring Road).

For **Kedleston Road**, go all the way round the next roundabout and return north on the A38. Take the first exit, signposted University. Turn left at the top of the slip road and we're on the right.

For **Markeaton Street**, continue south on the A38 to the next roundabout and take the first exit onto Ashbourne Road, signposted A52 Derby (City Centre). Then take the first street on the left, Pybus Street.

For **Britannia Mill**, continue south on the A38 to the next roundabout and take the first exit onto Ashbourne Road, signposted A52 Derby (City Centre). Take the sixth left onto Merchant Street – the University building is on the left after the first junction.

## From the south and west

From the M1/J24, take the A50 signposted Stoke-on-Trent. Leave the A50 at J4 and head north on the A38 towards Derby. Bear left at the next roundabout (A38). From the west, take the eastbound A50 and join the A38 as above.

For **Kedleston Road**, continue straight on at the next roundabout (A38). Take the first exit, signposted University. Turn left at the top of the slip road and we're on the right.

For **Markeaton Street**, take the third exit at the next roundabout onto Ashbourne Road, signposted A52 Derby (City Centre). Then take the first street on the left, Pybus Street.

For **Britannia Mill**, take the third exit at the next roundabout onto Ashbourne Road, signposted A52 Derby (City Centre). Take the sixth left onto Merchant Street – the University building is on the left after the first junction.

## From the east (Nottingham, A52)

At the end of the A52, continue straight on at the Pentagon roundabout onto the underpass, signposted City Centre (North).

For **Kedleston Road**, bear left, following the signs for A6 Matlock. Once in the one-way system, keep left and follow the signs for Quarndon and Allestree. This will bring you onto Kedleston Road – the University is less than a mile, on the right, just after the road crosses the A38.

For **Markeaton Street**, continue straight on after the underpass and follow the Inner Ring Road signs for Ashbourne (A52), making sure you stay in the right hand lanes. This will lead you to turn right at traffic lights onto Friar Gate. After passing under the iron bridge, turn right into Pybus Street about a half mile up the road.

For **Britannia Mill**, continue straight on after the underpass and follow the Inner Ring Road signs for Ashbourne (A52), making sure you stay in the right hand lanes. This will lead you to turn right at traffic lights onto Friar Gate. After passing under the iron bridge, turn right into Merchant Street about a half mile up the road - the University building is on the left after the first junction.

So you can plan your journey, here are our postcodes:

Kedleston Road **DE22 1GB**  
Markeaton Street **DE22 3AW**  
Britannia Mill **DE22 3BL**
