

# International Centre for Guidance Studies (iCeGS)

## iCeGS: connecting policy, research and practice

iCeGS

## Become a member of iCeGS

### the internationally renowned centre of excellence in the field of guidance

Membership of iCeGS gives you access to our award winning information services, based on the unique collection of over 15,000 documents in guidance and the related areas of education, training and employment (formerly known as the National Library Resource for Guidance).

#### **iCeGS can help you and your organisation:**

- Keep up to date with new developments in information, advice and guidance, career service provision, education, training and employment
- Save time and money by receiving the latest reports at your desktop and using information experts to answer your queries
- Develop effective services for young people and adults based on the latest research evidence
- Continually develop and improve your guidance practice through a comprehensive range of workforce development programmes

#### **Award Winning Support**

The work of iCeGS' staff has been highly commended by the Institute of Careers Guidance through a National Careers Award.

#### **Our users also value our work:**

*"Overall, a great service that I would recommend anyone to use."*

(IAG Practitioner)

*"Your literature search was extremely helpful – exactly what I needed."*

(Researcher)

*"Thank you very much for your prompt response to my request. You have been very helpful."*

(Student)
